Digital Preservation Coalition Handbook & Bit List
The Digital Preservation Coalition, a UK-based not-for-profit company that aims to secure digital legacy, has produced a handbook that provides guidance for all stages of the digital lifecycle for a broad range of stakeholders.
URL 1: https://www.dpconline.org/handbook
In consultation with the wider digital community, they have also produced their 'Bit List' of Digitally Endangered Species which communicates which digital materials are most at risk.
